Greetings,

The One Federal Decision (OFD) Memorandum of Understanding (MOU) initiated in response to E.O.13807, Establishing Discipline and Accountability in the Environmental Review and Permitting Process for Infrastructure Projects was signed yesterday [enclosed MOU in link]. This MOU establishes a cooperative relationship between Federal agencies and serves as the framework for the timely processing of environmental reviews and authorization decisions for proposed major infrastructure projects.

https://www.whitehouse.gov/briefings-statements/president-donald-j-trump-presides-signing-one-federal-decision-memorandum-understanding-major-infrastructure-projects/

Under the MOU, agencies agree to:

- * Submit OFD implementing plan to Council of Environmental Quality (CEQ) and Office of Management and Budget (OMB) by Monday, July 9th, 2018.
- * Establish a Permitting Timetable for each major infrastructure project. Each relevant agency either (a) commits to the lead agency's timetable

at the outset, or (b) the issue gets elevated to senior leadership;

- * Issue a single EIS and a single ROD for each major infrastructure project;
- * Consult and agree on major NEPA elements (purpose and need, range of alternatives, and preferred alternative) at key "concurrence points";
- * Have a process in place to elevate issues and resolve disputes; and
- * Preserve their statutory authorities/responsibilities/independence.

CEQ is continuing with E.O. 13807 Working Group meetings to facilitate the MOU implementation. The next meeting is scheduled for Wednesday April 18, 2018, from 1:30pm to 2:30pm in the Eisenhower Executive Office Building, Diplomatic Reception Room 212.

Please enter the security checkpoint at the 17th Street, NW and State Place, NW entrance and allow at least 20 minutes to clear security. The Diplomatic Reception room will be available beginning at 1:00pm. The meeting will start at 1:30pm. You MUST RSVP at the below link no later than noon on Tuesday, April 17th to ensure you will be able to enter the building.

The E.O. 13807 Working Group meetings are designed for Agency Chief Environmental Review and Permitting Officer's (CERPOs) OR those in the agencies charged with developing and implementing policy related to OFD and the EO. The intent of the E.O. 13807 Working Group meetings is to:

- Share progress on OFD;
- Establish, develop and maintain key relationships;
- Facilitate information sharing between agencies and stakeholder feedback;
- Invite guest speakers to discuss best practices and issues relevant to the Working Group;
- Identify impediments to efficient and effective environmental reviews and authorizations for infrastructure projects; and to
- Assist agencies in developing action plans for rolling out OFD to the field.

Attached is the first meeting's agenda along with reference materials to be covered during the presentation by DOT. Please contact Scott

Apologies everyone - we will be in WJCN 5530 after all. We will have

someone posted at the other location to redirect lost traffic.

Colleagues,

As stated in our February 23rd memo https://www.epa.gov/sites/production/files/2018-02/documents/epa_ej_memo_02.23.2018.pdf<> , EPA is launching a new Environmental Justice and Community Revitalization Council (EJCRC). OP AA Brittany Bolen will convene our first meeting of this council on May 29, 2018. I ask that Assistant and Regional Administrators participate in this initial meeting, along with program staff from your organizations involved in EJ and community-based work. One of the first items we will discuss at this meeting will be the council's permanent membership and expectations for future meeting frequency.

The EJCRC will function as the Agency's central decision-making body for determining environmental justice and community-driven strategic priorities and guiding their implementation. The EJCRC will support the Administrator's goals of cooperative federalism and public participation in solving environmental challenges through locally led, community-driven solutions. The EJCRC will also support vulnerable communities in their efforts to grow, revitalize, and thrive by leading the integration and better alignment of the Agency's EJ and community efforts across our programs and activities. We would like to use this meeting to begin a conversation with EPA senior leadership on the most immediate priorities for these programs, which include their involvement with the lead initiative, working with states and meeting communities at their needs.

Attached please find a draft agenda for this meeting. Should you have any questions or need any assistance in preparation for this meeting, please contact Alyssa Edwards (Edwards.alyssa@epa.gov <mailto:Edwards.alyssa@epa.gov> , 202-564-0473).

Good morning everyone:

Related to the Italy DoS invoices, I'd like to set up a time to discuss what we've discovered, what we need to do to close the loop on confirming we have all related invoices for this trip, and coordinate next steps. I'm handling a related FOIA matter in litigation that with a filing deadline next Wed. that is driving the need to develop a course of action. While I don't think everyone needs to participate, OEX, OCIR, OCFO and OGC should be represented.

Apologies for the sudden meeting invite. Please don't hesitate to reach out with any questions or concerns before the meeting.

Thanks,

Ed

On June 15th we will be having a mock hearing for Peter Wright (Nominee for OLEM) and Chad McIntosh (Nominee for OITA) in the hearing room in east building. As in the past with nominees we would like to have our political team play the role of Senators for the hearing and provide feedback after, this will enable the nominees to have a real life experience so they know what to expect on the hearing date, which will be June 20th.

Binders with questions and background research were delivered to your office on June 13th

Please hold Friday, June 15th from 10 am-12:30pm on your calendar if possible, and below I have made a list of who will play which Senator. If you cannot attend please let me know as soon as possible so we can find a replacement. Thank you!

Update: Document Attached.

We are reconvening the PCC focused on (b) (5) DPP to review the progress on work items, discuss any policy level issues requiring action, and identify next priority work items. Prior to the

meeting, we will provide an update on work items underway or complete. This update and our discussions will serve as the basis for our next progress report to the Chief. Given the initial work was focused on "quick wins", we will begin to turn our discussions to high priority actions which will require focused interagency efforts. In this regard, it will be important to ensure your policy leads participate in this meeting.

If you have questions in advance of the meeting, please feel free to reach out to Robyn Colosimo at (b) (6) or via email at (b) (6) (b) (6) (b) (6) (b) (6) .

We are briefing the Admin. on July 9th about our plans for the abandoned mine lands/Good Samaritan initiative we've been working on. If Andrew would like a pre-briefing, is he available the week of July 2nd? The meeting would need to be Andrew, me, Steven Cook, Susan Bodine, and Cyndy Mackey. I believe I have included all the right people for scheduling purposes (I do my own, and my calendar should be up to date).

We may have a few other people come, but those people definitely need

to be there so if we can make those schedules work we'll see who else can make it.

The primary purpose of this call is hear and discuss any comments DOJ may have on the Army's memo to the Corps on CWA 404(g) assumable waters. As some of you may know, we have extended the deadline for

comments until COB Friday. That being said, we don't want to delay this review any more than we have to and this is on the only day that works for DOJ on Monday. Hope all of you can make it.
